Mail copies of report as directed by Synod or Presbytery headquarters. c. Retain one copy for church files.

MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

January showed a sharp decline in church and Sunday School attendance. This was mainly caused by the trapping season which has continued throughout the month. There is another month to be open for trapping land otter. With the absence of themen, there was less effort at keeping up an active faith; most everyone "departs for trapping". Our attempts to hold a congregational meeting were poorly received. Three attempts were made: latter part of December- 35 members present(as I look back this perhaps was a sufficient number according to many annual meetings, but it was stressed that as a congregational meeting we should have as many members present as possible); the next two meetings gathered 24, and then 22 members(this during trapping season). Our annual meeting is scheduled for February 7. Another year I will make certain that we begin our plans for a meeting earlier and promote attendance. Two deaths occurred during January. One elderly man passed away after a short stay in the Petersburg Hospital. There were nine Kake residents in the Hospital and having an opportunity to go to Petersburg on Ray Bell's boat I went along to visit the sick and take care of necessary business. This elderly man had been an early Salv. Army member, but had become a Presbyterian member in 1951. His name was not on the revised role of a few years ago, but he was considered a member and at our watch night service he spoke pledging himself anew to the work of the church and commending his family for their work in the church. Because most of his immediate family were S.A. they wanted the funeral in the S.A. Hall. I was asked to have the funeral sermon. Joint membership in the Presby. Ch. and S.A. had become a question of discussion with the local Capt. and myself. This will continue to be a subject for discussion and settlement. An evangelistic mission and visitation planned for the second week in February will be postponed until the third week in March. (the Salv. Army Congress is planned for March 24-27). Mayreld Swanson had planned to come during February, but will now come the first of March after her sessions in Petersburg. The second funeral was for a young alcoholic mother who died from the effects of Alchhd. She had been baptized, but there is no record of her becoming a member. She had lived in Juneau for about 11 years. This was a tragic death and has been very trying for the family(she leaves 3 young children). Her funeral was held in the church, but it was difficult to bring comfort to the family. Alcohol remains a tremendous problem, but its use may partially indicate the conflicts these people have. Another young member from a home with an alcoholic mother has become pregnant(through drink to spite her mother) and we are now trying to give her help through the church and BIA services. We have only been credited for \$76.61 in benevolence for 1959; \$23.39 was sent by M.O. in the Nov. report. Being too late to credit for Benev. please credit to

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The month of March has been a most busy month for church work. Mrs. Swanson, Ctn. Ed. Director, worked with our session, tchrs., parents, and children for two weeks. Much was accomplished despite some meetings that had poor attendance. There have been many outside activities this month and those of local basketball tournaments and Salv. Army Congress kept people very busy. Mrs. Swanson is to be commended for her valuable work, patience, and able leadership. A trip was made to Tyee to get our skirting lumber. Mr. Ray Bell and Mr. Eb. Thompson provided the boat and assistance (the only cost was \$10 that one of our elders had given toward meeting oil expenses for the trip). Many local members and people helped in unloading the lumber and transporting it to the church. Elder Clarence Jackson and members installed the new window in the Recreation Hall kitchen. The skirting of the church and recreation hall has been delayed because of the S.A. Congress. Our Communicants Class for young people is going quite well, but because of a school closure for sickness and S.A. Congress we will have to double up on our meetings before Easter Sunday. The Rec. Hall was used for a marriage reception on March 9. More counseling has taken place this month. The Rev. Ron Snelling assisted in our Evangelistic Visitation and Services. We had participation by three elders in visitation and all of our elders and other church officers took part in the services. There was poor attendance due to everyone being busy preparing their homes for the Congress. There has been much sickness- colds and flu this month. Twenty-seven people came forward to rededicate their lives to Christ. We feel our visitation did much to help our people. Since many have responded and are coming to church who had not attended previously in any consistent manner. Ron Snelling delivered the messages and we were all blessed through his work for Christ. We have received a new mimeograph machine for our work (personal gift from the Ford City Presbyterian Church, Ford City, Pa.- from the deacons fund). This will be a real help in our work. It has already been used to produce a tract entitled False Witnesses- An Endictment of Jehovah's Witnesses. We are being plagued with these people who have taken a more active and persistent visitation program. The A.N.B. Cancelled the use of their hall for a J.W. movie when approached by the S.A. and Presby. leaders, but as expected they have gone underground and are showing the movie in individual homes. One of our inactive elders and wife seem to be involved and we trust will see the light. This is a good test for our own beliefs- and if used properly should be a growing experience for all of us. The S.A. Congress took over pretty well. Our own program suffered previous to the Congress and during it, but we remain quite strong. We gave the use of the sanctuary and hall to the Congress and both were used often. Our church and W.M.S. sponsored an banquet which was very fine and received much comment. (cont.)

Other

There has been good cooperation between the S.A. and Presbyterian Church. Col. Taylor was present and brought up the subject of old relationships but we remain friends despite differences and past grievances. The Rev. Arthur Johnson and his wife were here on business during Congress week and were of great help because of their presence at the Congress meetings and Banquets. Arthur delivered the message Sunday morning in our church. This was the closing day of Congress. We had a call for rededication and some 20 people came forward. A number of Presbyterians from other S.E. Alaska communities were present. There is some difficulty at Klawock in our church leadership that needs counseling. I tried to encourage a Klawock elder who was present here during the Congress to hang on and pray that all will work out with God's help. The Rev. George Betts planned to attend, but because of Manse repair work through the help of S.J. workers could not leave. The Wycliff Bible Translators were present and took part in our Sunday morning service.

Our choir has received a gift of 26 S.J. Choir robes and these are giving us much encouragement and will add to the worship of God. We have had a dedication service for the robes.

One of our church families (Mr. and Mrs. Theodore Williams) lost their possessions in a fire which almost destroyed their home. There was drinking involved along with an explosion of an oil stove.

In a volunteer road work project we were able to get three loads of gravel to fill in the road between the school and the church.

Life here has its ups and downs and there is much to confuse our people. We are considering the possibility of having Presbytery meet here next spring.

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

This last month's church activities started with a W.M.S. Coffee and rummage sale (we are trying to move toward a better understanding of stewardship but it is a very slow process). Our community was visited by Jehovah's Witnesses again coming by boat. The Salvation Army officers approached me with much concern over this work. We finally agreed to publish a tract and distribute it to our people. This caused some comment and may lead to a better understanding of our individual beliefs. (More comments in last month's report) Our session meetings continue to bring forth very constructive plans but the follow through is never complete. We are attempting to reach all our members with more information and help. The Communicant's Class was a fair success and 14 young people have become communicant members (Easter Sunday). We enjoyed Miss Isabel Miller's visit and the S.J. Choir. A potluck was given for the Choir and about 70 attended. Mrs. Hind, State Welfare Worker from Ketchikan, visited Kake and stayed in the Manse. We have again started the I.A.H. Club for Junior Highs and Juniors and it seems to interest our young people. Dr. Jackman's visit meant much to all of us. The land survey fees were paid by the three families involved and a fourth family ~~are~~ is receiving aid through Dr. Jackman to receive a deed for the land they occupy between lots 3 and 4. A potluck given for Dr. Jackman was attended by about 50 people and the worship service following by about 80. Later Dr. Jackman met with our session. United services have been held during Holy Week. The Easter Sunrise Service and Breakfast was thought to be a fine success. Our morning worship for Easter included baptisms and reception of new members plus communion. In the evening the Choir sang their cantata- "Prophecy Fulfilled". This was a day of blessing for us all. Elder Clarence Jackson was the church delegate to Presbytery. Women's Missionary Delegates were: Pres. Mrs. Lottie Nannauck, V. Pres. Mrs. Alice Dugaqua and Elsie Austin. My family also went to Juneau and my wife was able to attend some of the meetings. This was a good change and an informative time for us, but hardly a time to have a rest or a chance to visit in Juneau. Our elders who were going to plan our worship services on April 24 did not carry them out because of poor attendance. A potluck for returning delegates was given at the Salvation Army sponsored by the Home League. Following this a worship service including reports by delegates to Presbytery was held in our church. We trust we will be able to put into action many of the things learned at Presbytery. I have been elected delegate to Synod which is June 20-24 and we are planning our vacation at Eddyville, Oregon to coincide with this. We hope to bring back our car or a truck to help in landscaping and in the work here at Kake.

4

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

With the beginning of halibut fishing and summer projects our church attendance has declined rapidly. Drinking continues to be a big problem as soon as there is an income. The Grade School Baccalaureate Service and the Graduation of the Eighth Grade were excellent programs. Our Church School is suffering for lack of teachers and irregularity of their attendance. Now with school being out and other activities many of our young people do not attend. The overall picture of our work is quite discouraging, but one always hopes for better times.

We will spend the first part of June in Eddyville, Oregon with Mrs. Simond's family. Any mail should be addressed c/o Mr. Lewis E. Passon if it is important that we receive it before our return. We will attend the Synod of Washington meeting at Spokane. It still seems important that we bring back a truck of our car and a small utility trailer so that we may do some of the needed work here. It now is impossible to rent a truck and this is about the only way we can get soil for landscaping the church and manse grounds. This will mean that we can begin much of the necessary work to improve the church and manse.

The Session and Women's Missionary Society are planning to hold the evening worship services while we are away. People may unite with the Salvation Army for morning worship, but very few attend morning services.

Plans are to have our Vacation Bible School beginning July 18th for a two week period.

The Manse porch has not arrived as yet, but trust it will come on one of the next Whiz boats.

Mr. Pritchard and Mr. Carson visited concerning the needs of the church and manse.

One Kake resident has polio paralysis according to Dr. Smith of Petersburg. This is the first case in Alaska this year according to the report.

Our nurse finds much sickness in Kake. She spends her time nursing in Kake and Anoon and in the summer at Hood Bay. We enjoy her fellowship even though we were disappointed to find she was R.C. and would not make a helpful member of our church.

Much time has been spent counseling this month.

Southeastern Alaska small communities seem to take top place in my experience for having so many difficulties and being so upsetting. Work is most frustrating. Never have we felt so tired out and so completely at a loss. Trust we will get new energy and a new outlook.

DO NOT WRITE NARRATIVE BELOW THIS LINE We don't want to give up, but just seem inadequate.

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

June has been our vacation month and also the time for the Synod of Washington meetings. Our vacation gave us a good change and was enjoyed by all our family. The Synod meetings were enlightening in giving knowledge of the broader scope of our church's work. The new relationship with Synod should strengthen our work.

Our session plans for elders leading services did not work out very well. Only one service was held and ~~that~~ was led by Elder Moses Rose and Willie Pugaqua. The Women's Missionary Society had a service planned but this was not held. Sunday School did not meet because of lack of attendance. It is disappointing to find so little is done by our people. This continues to be a busy season for the Kake people. The summer means fishing, sea-weed gathering and preservation of foods.

The new Manse porch has arrived but has not been checked as yet.

The State nurse is now in Hood Bay for the summer.

Plans for Vacation Bible School are underway.

Halibut fishing this year was not very good for local fishermen. The fish traps are operating and seem to be taking good sized catches of fish. Local trolling boats are not doing very well. The seine boats are just beginning their season with a few fish.

The tragic fire in Petersburg took the lives of ~~four~~ former Kake residents. The local family and relatives have taken this with great sorrow.

# MONTHLY REPORT, CONTINUED

61 (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Omitted on the opposite side was the final Bible School Program with about 170 people present. The Junior Highs led in a worship service with all the other groups taking part through singing, litanies, plays, etc. After the service there was visitation of class rooms, teachers, and displays of work. The Bible School was the highlight of this month. There were 81 children enrolled. Because one of our visiting teachers was hospitalized in Petersburg our team did not arrive until class time of the first day of Bible School. This late arrival meant that our get acquainted picnic on the day before was cancelled and people thought our team wasn't coming. Thus our enrollment did not rise very quickly. Dept. Enrollment was as follows: Kdn.-27; Primary-22; Junior and Jr. Hi's.-32. Our program included recreation, stories, and hikes in the afternoon. With the attendance of Jr. Hi's. and Seniors from Kake and the Cannery we were able to have evening volley ball games followed by Bible Study and refreshments. This has meant much to all of us and we hope to continue this when possible.

Fishing has been very poor with some weeks having only two days open season. The local cannery was going to close, but already with seasonal costs in the overall loss it will continue to operate when fish are brought in. The main financial support of the church is through rummage sales which we continue because of previous custom and now necessity, even this is not sufficient. What can be done to help our people and promote stewardship of our people?

I am not sure as yet what the final plan for the Salvation Army work in Kake will be. Many of the S.E. Alaska resident officers are being taken out, but whether Kake will have one is still a question. The local officers seem to continue services with faithfulness. A man from the Assembly of God Church was here the first part of July to assess the place they might have in work here. I don't know that he was convinced that with the S.A. and Presbyterian Church that the population was reached. Certainly our work has not been as effective as it should be. He was going to Hydaburg and Yakutat among other communities.

Drinking continues in time of want as well as in a time of abundance. There has been vandalism this summer. A young Kake resident admitted to cutting seines and stealing from boats; he had planned to go to Chemawa for high school. One young parolee and a young church member broke into the cannery oil dock and took the cash register. There has been other vandalism such as breaking of school windows and shooting pipe lines at the cannery.

So far there is little response to the church building program.

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons).

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Our church program continues, but with few encouraging things happening. Our attendance at services and meetings is nowhere near what it should be. This is typical of the summer, but one would like to see some changes made.

Fishing has been the poorest ever according to most people. The highest payment to a crew member I have heard about was a little over \$100. One of our elders has only about \$6.00. I understand some of the women workers split their guarantee of \$540 with other women cannery workers so for each family there was very little income. This alone must be tremendously discouraging. Welfare and unemployment compensation will not solve the problem. Some people are leaving the community for work in the cities. Elder Clarence Jackson has moved his family to Ketchikan where he has work as a construction carpenter. (We are without a choir director, but may have another resident some of the time help us.) The crab cannery has only been operating about one day a week for most of the month. There is to be fall seining and halibut fishing, but I understand they both come at the same time. This may help people if fishing is good, but cannot make up for the overall summer loss.

The local Salvation Army has their resident captain back with no assistant so far. They are discussing plans for a new building.

We have seven new teachers so far and at least one more to come. With so many new people and at least two with families this will we trust bring about changes for the better in Kake. The new high school will have all 9th and 10th grade students from Mt. Edgecumbe. S.J. High School is so far accepting 5 Kake 9th and 10th graders (these are top students and two for special reasons). A special effort has been made to reach our new school teachers not only to make them welcome, but of the need to have some faithful church workers (church school teachers, etc.). So far for the Sunday morning worship 4 out of the 6 teachers that were present at that date came. The other two are Seventh Day Adventist's and although stated they would probably worship with us seemed to stay close to home. Saturday afternoon there was a special reception for all teachers and an open house at the rennovated high school, but these two teachers did not come.

We are beginning to use a Mid-Week Call to Worship which will be distributed personally having items of local interest to our members.

I am continuing to varnish the manse and do some repair work on the church. There has been no local response and that may not come until after fall fishing if then.

Our new daughter, Cynthia Ruth was born August 31st. in the Petersburg Hospital. Mother and daughter are fine and arrived home Sept. 4th.

## Report Continued(August 1960)

This past month we have been recording the Sunday Evening Worship Service and taking this to the sick and shut-ins. So far a few attempts have been successful in taking this to people who have stopped attending church. (We need a battery operated tape recorder to use in the summer when we are without power and also for use in homes where there is no electricity. There is one blind man who would enjoy this, but there is no electricity in his cabin. Another man crippled with arthritis would appreciate this, but he again does not have electrical power in his home.)

A survey is being made to find better Sunday School papers which will be both an attraction to children and adults and also meet their needs.

Again, when someone is found to fill the needs of a missionary pastor in Kake please do not hesitate to let me know. Here I am inadequate to the task: nothing seems to ever go right- plans are made, but always, the inadequate response brings little or no results. Cooperative planning and promises mean nothing. Eventually one wonders if it is just oneself. When a pastor leaves a work he should not continue to divide the people as has been happening. A congregation even in the "mission field" of Alaska that has had our own Presbyterian work for years (since 1912) should have a voice in calling their pastor and thus there would be a good working relation based on our Presbyterian choice. Perhaps past work has spoiled people to the point that they do not know what is expected of Christian people. Work continues but very very slow. How can one try to meet all the objectives of our Church and not be somewhat "frustrated". (realistically). Perhaps if we could work for basic things and begin anew we could go on without feeling overly discouraged. Certainly "frustration" shows an attempt to do something. One needs help in such isolated situations. June 1960's The Pulpit has an interesting and helpful article-"When Minister's Face Themselves".

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

September has not brought about any real increase in response to Church life. One highlight was the marriage of two of our members. As always there are problems involved- misunderstandings and dislikes of parents and others. In counseling one tries to bring the love of Christ to bear upon the needs in such high aspirations as marriage. Because of the poor income this year a home wedding was requested in order to get away from an expensive reception. Local custom of having speeches by various guests and members of the tribe was very effective, and they tosted on the problems of marriage through recalling the marriage ceremony and content(reminded them of their own responsibilities). (The weaknesses of the groom were also pointed out). I rate this method excellent(although somewhat unpolished)for this present day of taking too much for granted.

Some work has been done on the church tower- asphalt on the roof and scraping and painting of one side. So far only one helper- Moses Rose. We shouldn't be doing such work, but willingly helped. We are beginning to plan(renew Plans) once more for work in Session meetings, but so far things are put off until men are available. There is fall fishing now along with hunting and canning and smoking of salmon.

One of our church officers repented personally for misdeeds this summer and did so publicly at a church supper.

Two trips to Tyee were necessary to get sheet iron, roofing iron (peak of church roof is open), piling, and lumber for repair work and building program. It is hoped we may be able to purchase sheet iron to cover the church and recreation hall roofs. Already there are some leaks and this material although in a used condition can be purchased for 10 cents a foot. We would then have a roof that would last for a good many more years.

A combined shower and birthday party was given for my wife by the women of Kake. This was a very fine gesture of friendship, but again from people who could not afford to do such.

We have continued to use our tape recorded worship services for the sick and shut-ins. The Mid-Week Call to Worship bulletin is helping in many ways. Preparation for rebuilding our Sunday School is underway. We have some of our new public school teachers who have responded to the need for S.S. Teachers. We trust we may once more work together for Christ.

Two babies were baptized in our church. The mother is a daughter of one of our elders and there is no church where she lives.

DO NOT WRITE NARRATIVE BELOW THIS LINE  
A scythe was purchased at the old Tyee cannery and has been used to trim grass and weeds on our grounds and also Health Center.

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

October has brought an increase in church activities, but never the complete response hoped for. Calling on all members before World-Wide Communion still only brought a total of 35. Sunday School work is going better, but if it was not for our public school teachers and two new young women helping we would be doing very poorly. People say yes, but do nothing more. Our potluck supper for members was reported as the largest ever and the encouraging of families to bring children was quite successful. Our Recreation Hall is too small for our total membership when present. Our Mariners group is still in the planning stage, but has promise of success. It seems as always unexpected things happen to work against us (principalities and powers). The night of our first Mariners Meeting when so much planning had preceded some liquor reached Mike and wives of three couples who were invited were found in the school- drunk. People do have choices to make, but too often take the wrong one. Westminster Fellowship has some promise, but suffers from sporadic attendance. This is caused partially because of competition- basketball games and practice, movies, etc. There has been some counseling requested. There were also two successful meetings of young people to plan Westminster Fellowship activities. An attempt is being made to work more closely with the ANS Welfare social worker. People will receive less money this year and will not receive any allowance for oil (they will need to cut wood). A 17 yr. old boy stabbed an older man (65- one of our members). He was found in the man's home apparently stealing. The victim will live, but the boy faces a difficult life. This boy had just returned from jail after being convicted of cutting holes in ceilings. Although a S.A. member this boy had shown interest in our S.S. and Young People's Groups, but had barely gotten started in the activities. Attempts have been made to gather older boys interested in an Explorer Scout Post, but no definite and convincing interest has been shown. There is a need and some interest, but no organization yet. One proposed project would be the building of a log cabin for meetings- then we could have a wood stove and provide our own fuel- have pride in the building and use it as an example and experience for perhaps more and better local houses. The Special Offering for Ethiopia was taken, but the amount has not been reported by our Treasurer. Tom Jackson is moving his house from the church property and this should be completed soon. One of our members, Aubrey Shequanie, living in a S.A. home in Saxman died and his body is being brought here for burial and funeral service. Session action changed our prayer meeting time from 7:30p.m. Wed. to 6:00p.m. so that we could have Mariners' meetings beginning at 7:00p.m. This has resulted in poor attendance at prayer meetings. It was very small anyway. Have found some people consider themselves members, but are not recorded as such. Search of session minutes proved this true in one case and more searching is needed. (2 newly recorded)

November has been a busier month. One of our early members and presently a S.A. member, Mrs. David (Alice Kellogg) Stuteen died at the age of 96. She had requested her funeral in the Presbyterian Church, but the S.A. part of the family would not allow this. There was much smoke aroused at the time that when people truly repent they go S.A. I did have the funeral service and stressed Mrs. Stuteen's prayer for the salvation of her family and people of Kake. Member Aubrey Shaguanie died and his body was brought here for the funeral and burial. This was a large funeral service (150). These two funerals and attendant activities (suppers, meetings, flower services, etc.) did take over one week and meant that I could not attend the Anchorage meeting of Presbytery. We have begun a Mariners Group (Constitution, Officers elected and installed and members recognized- about 40 members so far). This so far has proved an interesting and promising group. The Thomas Jackson house has been moved to the center of the church released lot. The deed can be sent as soon as your records are clear. We went to Juneau aboard the boat Superior (Ray Bell) and got 500 feet of lumber for the church and a 1944 GMC station wagon which has been so far very useful here. Hope to use it to get soil for landscaping the church and manse along with other chores. Have plans to use local poles for the basis for a fence. We were away two days and back on the third. Have been asked at several ANB meetings and suppers to lead in prayer and a few times to the exclusion of the S.A. Our young people's work is still hindered by sporadic attendance and the changing community meeting schedule. Our Thanksgiving service was very poorly attended this year. People are just either too busy at that time or just not interested. The S.A. combined their service with a recognition of Scouts, but even this did not bring many adults. Our hopes for an Explorer Post is still in the formative period. The life of our Sunday School this year is sparked by two school teachers and three local residents. We are trying to buy a used 16MM projector which should make some of our meetings more popular and more effective. The Board of Education asked me to teach beginning the last of October, but the request was answered by no. Another substitute was hired until this one resigned (third teacher). I was asked again and this time did not refuse because a teacher and family are coming January first. I did not start teaching until November 26, but this is at a very busy time of year for church work. I find I am getting better acquainted with the children and young people and in a group that we need to reach (7, 8, 9, and 10 grades). Already we have new plans for a group for just the 9th and 10th grades. (The Supt. and Math teacher resigned so now a Seventh Day Adventist is acting Supt.)

**DO NOT WRITE NARRATIVE BELOW THIS LINE**

so now a Seventh Day Adventist

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

December has been our busiest month in our church year. Its work was complicated because of my being a substitute teacher in grades 7, 8, 9 and 10. However, the new teaching couple has arrived and this necessary work is over. This experience has given me a fine opportunity to become better acquainted with the older young people and ones who are ordinarily at Mt. Edgecumbe for the school year and working during the summer. I have been able to take part in school problems and attempt to meet community needs. The community is faced with another teacher problem that may take two teachers- drinking. There was a community wide- ANB-ANS-School meeting and this did get to the bottom of many problems- need of a curfew, parental discipline, smoking, drinking, etc. This extra work has created a problem in getting all the necessary church work done. The lateness for reports was started over the fact we had difficulty first calling a session meeting to call the congregational meeting. We could not cover all of the reports and the congregational meeting was continued to following week. Christmas week took all energy and time and now sickness has slowed work. This is discouraging work when things can not be accomplished as they should.

Finally, after many plans work was started on the church skirting. Men did respond well once work started. It took 7 work days and a very fine job was done. Some new piling was put in and other piling straightened. The main porch was reinforced, tower leveled, railings placed on porch, etc. Much more work needs to be done, but this has made a vast improvement and I believe has stimulated the aspirations of all of us. (The Salvation Army are planning a new hall which may be constructed this spring) We have materials for more improvements and will keep trying to get local participation for these. (The skirting has ended the clothes drying under the church) Plans are being discussed for a workshop for the older boys to give them activities and a way to earn a little money- craft work, etc.

Gifts were given to every member of the community along with students at SJ and Mt. Edg. thanks to the support of fellow churches in the lower 48 states. We had an altar call the Sunday before Christmas and several came forward. New Year's Eve brought about 22 others to rededicate their lives to Christ. We had games and filmstrips for the young people beginning at 7:30 P.M. and about 8:30 adults started arriving- we had more filmstrips. Our worship service began at 10:30 and lasted until 12:30. A community wide luncheon was sponsored by the Presbyterian Church and the Salvation Army after midnight in the A.N.B. Hall. This was a fine success with most of the community present. We have just received a used 16MM movie projector which should help to fill a real need. We hope to be able to pay for this by early spring.

The new washing machine arrived in fine condition and just in time to take over the work load of the old one. The old washer was really worn out when we arrived but with some repair from time to time it was kept running for almost two years. Thank you for getting a new machine.

Our Mariners Club has met some real needs so far and has great possibilities. The group planned and carried out an almost actual sized manger scene which was placed in the center of Lake and with lighting supplied by the city has been a popular and meaningful creation. We hope to add to it another year.

Our Young People's Work has taken a back seat temporarily due to the press of other activities

Our Women's Missionary Society invited the men to attend their annual meeting and this was a fine success. Games and a luncheon were really enjoyed by all. Some homemade shuffleboard sets have added to recreation for young and old alike.

Our Church choir never did seem to take hold this year, but through a community organization finally met the need for special Christmas music. Now with Clarence Jackson back we hope to plan special music for Easter.

Our new deacons have been very helpful in church work lately and went so far as to mop and wax both the church and the hall. They also polished the church news. We trust this will continue in some measure throughout the year.

The Elmer Johnson family have taken up their Christian work once more. Elmer is a deacon and Mrs. Johnson is president of the W.M.S. It is a joy to see the difference Christ has made to them and the children.

# MONTHLY REPORT, CONTINUED ✓

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The Congregational meeting was held with 31 members present. Reports were printed out and handed to the people, and the meeting went quite smoothly. I felt that the nominating committee did a very fine job as they had met numerous times over a three month period, contacted all possible candidates, and nominated people of real christian character.

At the first of the month the choir from Metlakatla came over and gave their usual fine concert. About 145 people were out to hear the music.

Basketball continues to take a great deal of time with three teams practicing each week and each team playing almost every week. Two other men in the church are helping coach the teams.

Another attempt was made to get the christian youth of the city together but the crowd was disappointing. There is some hesitation on the part of the "sect type" churches to participate, especially if they are having an evening service. We also had both Jr. & Sr. kids together and this doesn't work too well.

Other activities during the month included: 2 funerals, one wedding, a party ~~for the~~ for the Tr. Hi. W.F. and being asked to open the State Democratic Convention.

# MONTHLY REPORT, CONTINUED 1

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The month was busy as usual with the events including:

A visit was made by the fire marshall thru the church plant and orders to correct several areas in fire prevention. About \$75 worth of new fire-extinguishers will be needed and the furnace room will need some patching.

A Congregational Meeting was held during the month to approve, in principle, the plans for the new church and the sale of this building. Both issues were discussed with intelligence and passed.

Activity for our youth was still centered around a very active basketball program but the youth groups have each continued to meet. Both groups are small but have several faithful attenders. The class of young people was chosen with a great deal of care and only after talking with the young person, the parents, and the S.S. Teachers. All of the young people seem to be active followers of Christ and are supporting the church program.

One week of the month was spent in Seattle at a meeting of the Administrative Council & Synod Nat'l. Missions Committee meeting. It was a very interesting time and a real privilege to be in on the start of this council. It was also good to have a change of scenery.

Extra events included one funeral & invocations at two scouting events.

The calling during the month was devoted to in-active Presbyterians in town and, an effort was made to get them into the church. An adult communicant's class was started but very few of the people called upon came to the class. It does look as if we will have a good size class of members coming into the church however.

Some effort was made to get the session into committees and let the committees do the discussion on many matters. The worship committee did meet and shows promise of taking on some real responsibility. Also meeting during the month was the Bldg. Committee and discussions continue on minor modifications on the new church.

The Women's Assoc. are now meeting in three circles for bible study but one of the groups seems quite weak and may fold up. The names of all the women were put in one of four cups, depending upon how active they had been in the Assoc., and then names drawn and circles set-up. This is what we tried to do several years ago and saw it develop along-racial lines, and then fail. This time its looks as if the basic idea of circles will catch on as the women are divided up and each circle has women of different age, race, and living in different parts of town.

Our women also co-operated in a World Day of Prayer service held in the Luthern Church.

The One Great Hour Of Sharing Offering was taken and the amount will be reported at a later report.

The basketball season ended but having two communicant classes a week takes about the same amount of time.

**MONTHLY REPORT, CONTINUED** (Original and 3 carbons)  
Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The big event of the month was Easter. Our two services again worked out very well with the church being filled for both services. Again there were few strange faces and few who hadn't been to church since last Easter. Our church co-operated with the Ministerial Assoc. in several events and they were: Good Friday 3 hr service---about 150 there  
Sun Rise Service " 200 "

We also had a special Maundy Thursday Communion service with 78 present and a breakfast on Easter Morn. with 60 coming out. Only six young people were in the communicant's class and the rest were adults either confessing or re-affirming their faith, and this ratio pleased us very much.

We also had an enjoyable concert by the S.J.J.C. Choir with a full house of about 150 people present. The dinner for the choir was handled by the Alumni Association and it was good to see them in action.

The better part of two weeks during the month was spent in Presbytery.

The youth program is suffering somewhat but the advisors hang on even though there are but few people coming out. The Jr. Hi group has its few faithfuls and we will hope to build on this.

No Easter Concert was held in our church this year but some of our choir members were a part of a Union Choir from all of the churches. This group put on a concert on Palm Sunday Evening and it worked very well. Many of the choirs didn't have enough members for any special music but worked together nicely.

An effort was made to see if the Synod might be interested in managing the local hospital and a conference was held between Dr. Polhemus and the Mayor & City Manager. The Roman Catholic Sisters have threatened to pull out of the hospital on Jan. 6, 1961 if the title of the hospital isn't given to them. Out of this threat came a letter from the Mayor asking the churches for help and the only response so far is from the Synod of Washington. No agreements were made but just conversations held on the subject.

# MONTHLY REPORT, CONTINUED ✓

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

During the month of May things slowly ground to a halt as summer arrived and the fishing season started. With the exception of one full Sunday on Mother's Day both church and S.S. attendance slowly decreased..

Activities also slowed down with the Sr. High Youth Group stopping as most of our young people were Srs. and occupied with graduation. The women are going to continue their Bible Study ~~S~~ircles all summer and the choir hopes to keep going.

The S. School teachers did have their monthly meeting with plans being made to give some of the teachers a rest this summer and to use some new teachers for the summer only. Sugrestions were made for new teachers to come in next Fall.

The quietness of the month was somewhat shattered by the usual ~~summer~~ arrangements in connection with annual Moter's Day Sale sponsored by the Women's Assoc. This year we had a good Chr., good organization, and I thought we were in the clear with not a fight in sight. But one or two of the women objected to their sewing goods being marked at what they thought was too low a price and changed the tags. This was after the goods had been displayed in a local store window with a price tag on them. Some people complained at the sale because of the price ~~raise~~ raise, the session had me make an announcement from the pulpit offering to refund the difference between the advertised and sale price, and we had quite a stir. I don't think that it will happen again.:

I was invited to give the opening and closing prayer at the H.S. Bacc. Service.

The only other unusual note was two young men who are looking for work and sleeping in the church. They are both Baptists of a conservative nature but don't let their theology interfere with a good night's sleep.

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

May-Cont--I failed to mention last month of my very fine trip around the presbytery looking at the property we own. It was a very interesting and profitable trip...Also during the month we had a very tragic drowning of Mr. Bert Jensen, formerly the Ellis Agent at Craig, and husband of an elder in our church.

This has been a very interesting month. Mr. Paul Westburg arrived to work with us and new life has been pumped into our church by his presence. He will be helping with the S.S., youth groups, preaching, visiting, and calling on those giving Presby. Preference on the city-wide survey held last Fall, but not coming to or active in our church.

Much time was given during the first of the month to Mr. Westburg's orientation but he works very well on his own. Already he has preached once, had two youth outings, done considerable calling, and some physical work around the manse and church. We are very pleased to have him with us.

The Deacons of the church helped Mr. Westburg & myself relieve a husband from sitting around the clock with his dying wife. The family was a contact of The Anna Jackman and was very appreciative of our help. Our deacons did well in what was a new and trying situation.

Two weeks during the month were given over to travel. Elder Nat Edinso and myself went to the Synod of Washington meeting in Spokane and we were thrilled to be at the first Synod Meeting with full Alaska representation. The next week I traveled with ~~xxx~~ a Committee of of the Alaska Survey Committee to Juneau & Sitka. These meetings were profitable not only to myself but to many of our officers who attended the area meeting in our church.

Plans are being made for the 4th of July Booth. Many of the people are not too wild about the booth but feel that we need the money for our new church.

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The 4th of July Booth was again sponsored this year during the big celebration and was handled very well. Groups of officers took a shift on Saturday & Monday, while the booth was closed during Sunday. The profit on the booth was \$508.55 and it goes to the Bldg. Fund.

Mr. Westburg continues to do an excellent job in the church while at the same time getting a variety of experiences. He preached once this month, was Sup't. of the V.C.S., and did much of the hospital calling.

The V.C.S. team of students was a very good group and the program one of the best we have ever seen. I am still very much in favor of bringing students in as the job they do is almost professional. If we are going to have such a school we should have the best teachers possible. It also is a relief on the regular teachers to not have this chore.

Attendance in church has us all amazed. There are some new people in town for the summer but most are the regulars. The finances are also holding up well and we may be out of the "red" at the end of the summer rather than going further in the hole.

The family had one week's vacation at the cabin of one of our trustees. The weather was very poor but it was good to get away for a little while. With activities around the church going so well, new people moving into town, and construction about to start on the new church, it looks as if there will be no more time off.

During the vacation I had a very close call with death. A boat I was fishing in swamped during the early evening about 75-100 feet from shore. I was the only one in the boat with a life preserver (cushion) and the Methodist Minister used it to help his 65 yr. old father ashore. We were fortunate to land on the beach close to a cabin with dry clothing inside and then flagged down a fishing boat to come and get us. The feeling of a boat going out from underneath me is one I'll not forget for a long time and we were all thankful to God for making it ashore thru the cold water.

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

In August:

Kenneth Andrew Moser ( our 3rd boy ) arrived on the 22nd and is a welcome addition to the family.

Ground was broken for the new church on the 24th and a good crowd was present for the service. Clerk of Session Nat Edenso broke the ground and presented shovel to Mr. Tom Horton, Sup't. of construction.

Paul Westburg preached twice and was gone to camp for two weeks. Much of the rest of his time was spent painting the manse and taking the young people out for their meetings. Paul was a great help to the church this summer and we enjoyed having him with us.

Church attendance help up very well this month and the average for the 12 summer weeks was in the 90's. Interest was shown by people wanting to join the church and a new communicants ~~XXXX~~ class was started.

Inactive during the month were the Deacons, Trustees, Women, and the choir after two feeble attempts during the month to keep the choir going.

My parents were here for the majority of the month and we were glad to see them again. Dad did the majority of the painting that was done.

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

September always is the month to get things going again and this year's task was made more difficult because of trips away from town. One week was spent mostly in St. Paul at a meeting of the Study Committee. Three trips were made to Metlakatla for two funerals and one wedding. The wedding was on a Sunday so I preached in the church at the evening service. I also had two weddings and a funeral here in Ketchikan.

Leadership is still scarce for Sunday School Teachers but the new Jr. High W.F. was started with a new teacher in town as advisor. A meeting was held with the parents and it looks as if we will have about 8-12 possible young people with most of them being in the 7th grade, on the honor roll in school, and a solid background of S.S. behind them.

Communicant's Class was completed and 17 new members were ready to come forward on World Wide Communion Sunday. Elder Joe Johnson, a charter member of the church, died and we had a large funeral of the "old timers" in the church. I couldn't help but preach a little on Joe's faithfulness to the Presbyterian Church as most of the older natives present had drifted into other denominations after beginnings with our church.

The choir is off to a good start with Elder Clarence Jackson from Kake as director. He was here several years ago and does an excellent job. The choir will be run by the Worship Comm. of the Session.

There is talk of starting a Boy ~~xxxx~~ Scout Troop in the church ( in the new location ) and I have taken a chairmanship of a local Boy Scout Committee. I need the job like I need a hole in the head but feel that we ~~xx~~ should support the program.

Construction on the new church building moves right along with Mr. Horton being an excellent boss and easy to work with. He is also very considerate of the church's reputation and frequently consults with me on any trouble that might reflect unfavorably on the church.

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The Congregational Meeting was held this month under a new plan whereby Officers are elected and the Budget approved in October. The nominating committee did a good piece of work and some fine people were elected. The session was increased to nine members and the budget increased by \$1500. Most of the budget increase was in salary, travel reserve, janitor, and benevolences. 41 were present at the meeting.

We were pleased to have Miss McClure meet with our S.S. Teachers and eight were out for two meetings with her.

A special Reformation Day Service was held on Sunday Night, Oct. 30th, and about 45 were out on a very stormy night to see the film, "Martin Luther".

The Session has taken action on two areas that have been giving us trouble. One of the Trustees was asked to resign from his office because of being arrested for drunkenness and we are doing some serious thinking about funerals. ~~Only~~ We are going to try and cut down on having both a memorial service & funeral for the same person, and to make sure that services are held in the church only when the person is a christian.

Our church again lost an elder to death this month at Pat Verney died at Mt. Edgecumbe Hospital. He suffered a stroke many weeks ago and never did recover.

Had several trips to Metlakatla and Annettee again this month for services and funerals. One week I preached five times in eight days and on World Wide Communion Sunday I taught Sunday School, preached here, moderated session meeting, had communion in hospital, met with the Annettee Chapel group, preached and had communion in Metlakatla, and a session meeting with their elders.

Attendance in church and sunday school is above all expectations. The partitions are raised each week now and we have an overflow into the social hall.

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Again this month a good share of my time was spent outside the church. The best part of one week was at Presbytery Meeting in Anchorage and the last three days at Metlakatla & in conference with Mr. Irilchard.

The church had the best Every Member Convass in recent years. Materials were purchased on time, letters sent out, canvassers trained, and calls made to every family in the church. I preached two stewardship sermons and hoped that some real thought would be given to per centage giving. Several families came up to 5% and at least 4 families are tithing. Results are incomplete but at present time pledges are in for about \$7400 ( Budget is \$8400 ) from families representing 72 members.

Our church hosted the Union Thanksgiving Day Service and about 175 were present. Our choir furnished the anthem.

The Women are busily preparing for their Christmas Bazaar. Another giant step is being made to get away from sewing and workshops are being held to make candles and corsages for sale. Their nominating Committee has been active in bringing in a slate of officers ~~xxxxxx~~ for Dec. elections. More & more new women are being brought into this activity.

We had the first family night of the year and experimented with a Sunday Night Supper & film. About 85 were here for supper and about 75 stayed for the film. WE'LL now plan for such an event at least eight times in 1961 with a mission emphasis.

Work continues on the new church and many of our men are helping. The Trustees have organized the men into work crews and one crew of 5-6 men are working each Saturday. It is becoming more obvious that the church will be finished before Easter and our furniture committee has gone into action.

Basketball has once again rolled around and we will have at least two teams in the league. Organizational meetings will be held for the Boy Scout Troop next month.

January was a stormy month, traveling was difficult. Roads were very icy and drifted at times.

Due to no electricity at the Church and fuel-oil difficult to get up the hill to the oil shed, there were no evening services on Sunday, nor mid-week meetings.

By the end of the month we had 49 inches of snow. Fortunately, there was no illness in the village.

February gave us the most winter snow. The road to Klukwan was cleared fairly well but I had to use chains on two trips up to Klukwan and back. The last week of the month began to show signs of moderating a good bit.

There is no news about the Iron mine opening this spring. We are living in hopes that it will open and put the men to work.

FEB 26 1960

Dear Dr. Jackman:

I have a promise of a \$100<sup>00</sup> check for the end of February report, making a quarter payment. The Session would rather make it in quarterly payments.

So I'm mailing in the January report now. I think they understand.

I had to leave my car down on the road, too much snow to get up to the church.

# MONTHLY REPORT, ~ CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

This month Klukwan received assistance through a State Work Program, instead of the Territorial Unemployment Benefit Plan. Those who needed the work were given a place on the work line, this was arranged by the Village officers. The program was the work of securing poles from the forest, peeling them and setting up an electric line from one end of the village to the other. Also the building of a Phone Station, to hook on the line that follows the pipe line. A call to Haines is to cost 50¢, and a very much needed building for the fire truck and other fire equipment. This building is close to the Church, which puts it about the center of the Village.

We are beginning to LOOK like a Village now, and are we pleased !!! The present light plant is not large enough to put light in the homes, but the streets will be lighted up and that will be "Something". The next move will be to get a larger generator, so the homes will have lights next winter.

Ooops!! I'm reporting too far ahead.

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

I spent a week in Klukwan the first of the month, putting in a new fire-box in the range, changing the plumbing in the bath room, and the hot water coil. This would have been quite an expense, had a plumer had to come up here to do the job. Then the fire box would have been the work of a stove repair man, both getting time and milage.

The village folks put on a good program for Easter. We worked on it while I was there doing the other work.

On Monday morning, the 18th, boats were starting south for the King Salmon run in Taku and other places. By the 30th, there were very few m en folks left in the village. The women and children do not leave until the cannery opens, which will be several weeks yet.

Presbytery met in Juneau the 19th - 24th. I was away six days.

The Village was in an exciting mood the first part of the third week as they began to move to the fishing Village on Chilcat Inlet where the Cannery is located.

We have had some Sunday visitors from far away places as they pass through from Haines to Haines Junction.

As to Mining,--- there is one drilling machine working two crews, prospecting the deposits of ore. Other than that, we know nothing here, but hope to have some word of the Company plans some time this fall.

When I try to make out a report for Klukwan, I get so discouraged I would gladly resign. Yet the old folks look forward to the hour of song and prayer, with a simple message from the Word, and I haven't the heart to disappoint them.

Often, I wonder if there is any future for Klukwan. It will take some one with more than I have to bring it to pass. They live a double life,- Fish in summer, Lie around in winter, with one interest, Basket Ball.

There is little to report this month. The old folks are faithful at service each Sunday, and on Wednesday evening, they all take part in Prayer.

The only noise about the village is the roar of the Chilkat river and the clatter of the prospecting drill.

All the folks at the cannery are well and working.

This is a short report. but it involves a long trip and good car, & my vacation.

My Bro. Leslie had an extra car (Plymouth) and told me I could have it if I would come get it. He had only 17000 miles on it. I flew to Seattle, took Bus to Denver. visited my three (3) brothers in Colo for a week and drove off with the car.

I met the Hartmanns at Shelby Mont. We arrived within 30 minutes of each other. Then we drove the long Alkan together in 5 days. I drove 3523 miles. Was glad to get back. I was gone 27 days.

We had that the fishing season would close the last of September, but I just heard that the Fish & Wild-life had extended the season through the first week of October.

Fishing has been poor this year.

Nothing new on the Mine work.

We expect the village folks back in Klukwan by the last of next week.

October was a very wet month, very few days that it did not rain.

We were able to get the Sunday School going for the last three Sundays.

The only happening that called the village out was the Wedding on Sat. eve. the 29<sup>th</sup> in the A.N.B. Hall. It is the first Village wedding I have had. There were two private weddings during the 3 years here.

This month of November 1960 will long be remembered by most of us who attended the joint meeting of the Yukon and Alaska Presbyteries in Anchorage.

Our Mother Church began teaching us to walk and feed ourselves. As a baby, it's nice to be carried, and naturally, to be on our own feet, presents problems.

But the time had to come for the Mission Churches to grow up. So now we hope and pray that we may carry on to the Praise and Glory of our Lord and Saviour.

Of Course, some stations will be "Mission" for years to come, or until the changes of time and progress of the State bring about different conditions.

Mail copies of report as directed by Synod or Presbytery headquarters. c. Retain one copy for church files.

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The Village of Ketchikan was hit by death, mourning on December 7<sup>th</sup> by the sudden death of Elder Dan Kutzek. He was in Indian Hospital, and when he came to see that he would soon be home, then, suddenly, heart failure and he was gone. We laid him to rest in the family lot in Ketchikan. The funeral was the largest we have had in this Community since I came over 3 years ago.

The weather of December has been constant storm, snow, rain, wind, and the roads have been bad, many car accidents due to deep snow and icy roads.

There was not one Wed. night during the month that I was able to drive to Ketchikan for the Prayer meeting.

It hasn't been easy to make up this Report, (as small as it is), but the fact that it is my last one to make.

My first Report was made the last of January 40 years ago.

These last 20 years with the Board have been marvelous, 16 of them in Alaska. On the 2<sup>nd</sup> of this month, I will be 73. - Have been saved 52 years - a glorious walk with our Lord.

# MONTHLY REPORT

CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Upon our arrival in Metlakatla a large delegation, about 75 or 80, was at the church to greet us. A very delicious dinner was served to the group including Mrs. Hartness and myself and the Governor of Alaska who happened to be here at the time. Following the dinner, the various officers of the church and its organizations were introduced.

Most of the first week was spent getting the manse into condition for living, though it was generally very clean and the draperies and floors had been cleaned. Some new furniture and a new rug were in the living room. Painting of the four rooms downstairs was started late this month. This is being done by volunteer labor by men of the church.

The church services have been well attended and there seems to be a growing interest. The choirs rehearse at least twice each week in preparation for the Sunday Services and the Christmas Season. The quality of the music is good. Attendance at rehearsals is high percentage wise.

The Sunday School will require strengthening in several aspects, tho I believe the potential is present for effective leadership here.

The Session and the Trustees take a definite interest in their duties as officers of the church.

There were four infant baptisms on Thanksgiving day. This is one of the days, that is Thanksgiving day, when it is customary to baptize infants.

The Women's work in the church seems to be well organized and their organization is functioning.

The Navigators composed of younger couples in the church is active but is in need of a broader program. The leader is aware of this and has requested assistance in preparing and executing a program of greater scope.

There is no Youth organization. Some youths do take part in the adult or chancel choir.

Arrangements are being negotiated for services at the air field at Annette. Details will be reported when they become effective. The Session of the church here is cooperative with respect to this undertaking. The protestant people at Annette do not wish to be organized into a church but to have services on what they call a non-denominational basis.

This space for Headquarters use.

A large number of community activities this past month has cut down on the number of meetings held in the church. When there is nothing else to do the attendance at church functions is larger.

Most of the organizations were making the adjustment to new officers this month. I believe we have some good officers this year and that many of our organizations will be able to show some good work in the coming months.

The Navigators have been especially active again this month. Their latest project is that of serving coffee after the morning service on Sunday. It has helped greatly to increase attendance at the morning service.

Work in the Youth Group is spasmodic. Twice this past month other activities kept them away from their meeting. One Sunday the lake was frozen hard enough to skate and the entire group went there instead of going to the meeting. Last Sunday practically everyone in town was at Ketchikan for the International Basketball Tournament and most of the teen-agers went to that.

The Navigators have invited the Rev. David Brittain, Associate Minister of University Presbyterian Church in Seattle, for a week of meetings at our church. He will be here from Feb. 28 to March 5. The Duncan Memorial Church is to have a speaker the week before ours, so their pastor and I plan to cooperate and push for a good attendance by members of both churches at both series of meetings. This should give us two weeks of religious emphasis just prior to Lent.

Our choir went to Ketchikan again this year, and I am sure they had a wonderful time. The church in Ketchikan was full for their program that evening. Elder David Leask and Stephen Marsden were in charge of the service here that evening.

I missed one other service this month on account of my back. I was forced to stay in bed for a week. Elder Frank Hayward took both morning and evening services that day and we had good attendance both times.

Joe Verney is directing the choir again after a year's leave of absence. The Women's Organization has started a petition for a new piano for the sanctuary. The choir members all signed it, so guess it is on the way. It is to be presented to the Session at its meeting this month. We had no meeting last month due to the coming and going of our Elders and outside activities.

# MONTHLY REPORT, ✓ CONTINUED

11 (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

If the number of activities is any mark of success, this is the most successful parish of the entire church. We are so busy with meetings and activities in the various organizations of the church that we scarcely have time for anything else. All of the organizations of the church have been increasingly active this past month with the single exception of the choir which just seemed to fizzle out after the Christmas program was over. This is one of our greatest problems ...sustained work over a long period of time. Everything seems to go along fine for a time and then the bottom drops out.

This week we have the Rev. David Brittain, Minister of Christian Education of the University Presbyterian Church in Seattle, as our guest speaker. He will conduct preaching services each evening in our church. The Duncan Church had a guest speaker last week and his last night here we had a joint service with practically everyone in town at church. I had a part in the service which was held in their church. They had a reception afterwards and David Brittain was introduced and all were invited to attend our meetings this week.

The Deacons did not meet this month but at their last meeting they voted to begin calling on inactive members and shut-ins. We hope to get this program underway as soon as possible, perhaps after David Brittain concludes his services this week. We may be able to reach some new ones.

At our Session meeting (the first one) the Session voted to suspend several members who had not been active in the recent memories of any present, and some had moved away several years ago and some have even joined other groups such as Jenovan's Witnesses. The roll has not been kept up to date and it is impossible to get any information from it at all. I think we shall just have to begin all over again and attempt to get an up-to-date list of active members and then carry a few on the suspended roll until there is evidence of renewed interest. This has been a knottly problem here, but we are beginning to work on it, and I feel confident that it can be worked out to the satisfaction of most.

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The series of nightly meetings with the Rev. David Brittain of Seattle as guest speaker was concluded on Fri. Mar. 4th. Attendance all that week was in the 80's and 90's and the last service the figure reached 135 with many guests from the Duncan Church. All in all I feel that the week was worth while. They seem to need the impetus of outside people. The isolation here has more of a depressive effect upon our people than we seem to realize, and any contact with the outside world is helpful. It literally lifts all our spirits.

Our choir has finally gotten into gear. The Session met with them early this month and proposed to them a plan whereby our church would give its Easter Concert on Good Friday and the Duncan Church would give its concert on Easter Sunday in the evening. The choir voted to do this, and since that meeting they have met regularly each Tuesday and Thursday night for rehearsal and attendance at every rehearsal is in the 40's.

Attendance at Navigators has passed all records. We are reaching a large number of the younger people...many who would never set foot inside a church door. We are even pulling in some of the young adults from the Duncan Church.

Some of the regular meetings were cancelled this month on account of the sudden passing of one of our members. The funeral was held on Thursday, March 24. The church was filled to capacity as it usually is here for such things. The whole town just stopped for several days. It really created a lot of excitement.

I have been assisting in the services at Annette Chapel occasionally. It is a good opportunity to meet some of the people from the "other end" of the island. We are not integrated here as yet. The Salvation Army has been quite active of late with some outside evangelists coming in to hold services and "heal", etc. I have not been able to attend any of the services. The Mormons are sending in callers as are the Jehovah's Witnesses. Another of the Fundamentalist groups has contacted the Town Council with the intention of coming in with a radio station. The "Ministerial Association" is working on the council about this matter.

MONTHLY REPORT, CONTINUED

M (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

There was a lot of activity in the church this month as everyone was preparing for the celebration of Easter. Our Choir presented its concert on Good Friday in order that people of both churches might attend. Then the choir of the Duncan Memorial Church presented its concert on Easter Sunday in the evening. Attendance at all these services was excellent.

Five teen-age young people completed twelve sessions of study in preparation for church membership and joined the church on Palm Sunday.

Participation in choir and Navigators (Young Adults) continued at a very high level during April and both groups held extra meetings in preparation for Easter. The UPM sponsored a breakfast following the early service on Easter Sunday. This was very well attended. Attendance at prayer meetins held about the same, but some of the meetings were cancelled due to other activities coming at the same hour. This program continues to be an activity only for the older people of the community. Persons of both churches take part regularly. We have thought some of combining the prayer groups of the two churches.

UPW are using the new study materials on Psalms. These meetings are certainly well attended for meeting as frequently as they do. There has been some talk of forming circles, and as this was one of the items discussed at the meeting of Alaska Presbyterial this month in Juneau, we may be hearing more about it. Four of our members attended. The pastor attended presbytery. There was no elder delegate.

The visit of the Sheldon Jackson choir gave our people quite a boost this month. They looked forward to that event for weeks and really went all out to make it a grand occasion. It was certainly well attended by the whole town.

This year by cooperating with the Duncan Church we were able to make it possible for people of both churches to attend the choir concerts of both churches. We also held a Maundy Thursday Communion which was a little new to some people, and very well attended. Attendance at Sunday Church School has reached new heights this month also.

All activity in the church is beginning to wane. People are taking advantage of every nice day to gather seaweed or to go out camping. From now until fall attendance at all services will be low and a great many organizations will simply not meet at all. The Navigators plan a booth to sell hotdogs at the Fourth of July celebration. The Women are looking forward this week to the visit by Mrs. Salsbury, Mrs. McElroy and Miss Maloney. They plan to have a luncheon for them on Friday.

I will direct the Junior High Camp at Haines. We leave next Sunday aboard the Anna Jackman. When I return, I will go south for the meeting of Washington Synod at Spokane.

Vacation Church School is scheduled for July 5-15 with three helpers coming in from the south forty-eight states. Plans are being made for their housing.

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

This report will reflect the fact that I have actually been on the field only a few days during the past month. I left here June 5th to travel to Haines where I directed the Junior High Camp. I returned June 18, conducted services in the morning of the 19th and then left for the meeting of Washington Synod at Whitworth College in Spokane. I was unable to return to Metlakatla until the 29th.

Plans have been made for Vacation Church School which will begin next Tuesday, and as of this writing, the team has arrived aboard the Anna Jackson, and we will be able to have them with us in the church services tomorrow.

The paint which was to be put on the church and manse outside is still stored in the basement of the manse. In spite of the fact that I urged this work be done in May when the paint was purchased and the weather was good and dry, the paint still remains in cans. Those in charge of the work said they would begin in June. July is now upon us and fishing season will begin shortly, and still nothing has been done !

AS WE PREPARE TO LEAVE THIS FIELD WE DO SO WITH MIXED FEELINGS. IT HAS NOT BEEN AN EASY THING TO LIVE HERE IN THE VILLAGE, AND IT WILL BE GOOD TO LEAVE. IN ANOTHER WAY, IT IS VERY HARD TO LEAVE BECAUSE OF THE MANY PROBLEMS THAT BESET THESE PEOPLE, AND EVEN THO' MOST OF THE PROBLEMS ARE OF THEIR OWN MAKING, YET I HAVE A GREAT DEAL OF SYMPATHY FOR THEM. I DO NOT FEEL THAT WE HAVE REALLY BEEN ACCEPTED HERE. IN MANY WAYS THE PEOPLE OF THE OTHER CHURCH HAVE BEEN MORE FRIENDLY AND HELPFUL THAN OUR OWN PEOPLE. OUR PEOPLE HAVE DEFINITELY NOT DONE THOSE THINGS WHICH THEY COULD HAVE DONE IN ORDER THAT I COULD BE FREE TO DO THOSE THINGS WHICH ONLY A PASTOR COULD AND SHOULD DO! I FEEL THAT I HAVE BEEN USED BY THEM RATHER THAN SERVE THEM. I FIRMLY BELIEVE THAT WE NEED A NEW APPROACH. WE HAVE MADE NO SUBSTANTIAL GAIN IN FORTY YEARS, AND IF WE CONTINUE ON THE PRESENT BASIS, THERE WILL BE NONE IN THE NEXT FORTY. PERHAPS THIS CHURCH COULD BEST SERVE THE COMMUNITY AS A SOCIAL CENTER WITH A FULL TIME PROGRAM OF RECREATION FOR CHILDREN AND TEEN-AGERS AS WELL AS FOR ADULTS. I HAVE FELT DEEPLY FRUSTRATED BECAUSE I KNOW THAT WHAT WE HAVE DONE AND ARE DOING IS NOT REACHING THE PEOPLE AT THE SOURCE OF THEIR PROBLEMS. ON THE SURFACE, THE PEOPLE ARE "RELIGIOUS", BUT ACTUALLY THEY ARE MORALLY CORRUPT AND SPIRITUALLY VOID. THIS IS NOT THEIR FAULT ALTOGETHER, BUT IT IS OURS — THE CHURCH'S. I ONLY HOPE THAT WE MAY FIND THE BETTER WAY.

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The activities of the church for December centered around preparations for the bazaar, held December 9, with a reported profit of \$991.00, and the celebration of Christmas. The adult choir presented a very well prepared cantata of Christmas music with an attendance to hear it of over 400 persons, about  $\frac{1}{2}$  the community. The choir, also, during the month of December, sang at the evening services and at the service of Christmas morning.

On the whole, the church services have been well attended, both morning and evening. One Sunday evening because of a consolation service in connection with a funeral at the other church, only 15 were present. The watch night service, New Year's Eve, was well attended, though there was a good deal of boisterousness in the town and at the other end of the island where the airport is located.

The trustees of the church have given a general renovating to the living room, the dining room, the hall, and the bedroom of the manse. The floors were sanded and the ceilings and walls were painted. A very good job was done in this respect, though the work was done slowly. Before Christmas all the floors in the church, the C.E. Hall, the Ladies Parlor, and the kitchen were scrubbed and polished.

*for*  
*Carson*  
The furnace in the manse is not efficient though some adjustments made by a furnace company representative made for some improvement in operation. The efficient solution is a new furnace or the introduction of electric heating equipment. Either of these solutions would reduce the monthly bill by about \$30.00. The price of fuel oil in this vicinity is such that it no longer compares favorably with electricity as a heating fuel. The matter of some alteration in the heating system is under discussion and in due season, though not rapidly, will likely be solved to advantage.

Little or nothing has been accomplished at the airport community of Annette. Three services were held there with small attendance. The people there are divided amongst themselves. None seem to want a church program, only a service which they will attend if it is convenient. Efforts will be continued here but the expectations of success are slight.

Three calls were made on patients at the hospital in Ketchikan.

There were four infants baptisms during December.

The choir was entertained at the manse with a buffet supper before they ~~what~~ carolling on Christmas Eve. The carolling continued until 2:30 A.M. Christmas morning.

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

January is the time for yearly reports and the Congregational Meeting. The reports showed some statistical gains in spite of a poor year in the fishing industry. Most of our support is now coming from salaried people and the increase is due to their increased commitment rather than a rise in the economy. The increase in the budget is an indication that the people are reaching out in faith. The people elected a good slate of officers who are active in the program. With some training they will serve well on the committees.

For our January Family Night Potluck supper we had a Mission Emphasis. Several people gave short talks on different countries. I am sure that many people have a better picture of what the church faces in today's mission.

A Communicant Class has been started, and 5 people are taking part in it so far. They have entered into the discussion very well. One couple lives 3 miles out of town and have no car, so I go out for them and take them home afterward.

The Ministerial Association has been active this month. They met with the Civic Improvement Council and discussed many plans for the beautification and cleanliness of the town. The group planned for another discussion with all of the youth of the town. On the appointed day, only 6 teen-agers out of all the churches showed up, and they expressed a growing concern for the general attitude of the youth of the town. The ministers also backed a public vote in town to close the bars on Sundays. All we did was to present some facts for Sunday closure and urge people to vote according to their conscience. There was a large number of voters and a slim majority of 15 were in favor of closing. Now it is up to the City Council to decide what we will have in the way of local liquor laws.

Bill Zeiger was home on vacation, and I enjoyed having his help in the services, etc.

Bob Simonds was over 2 days from Kake, and we talked about the yearly reports which were new to him.

The men are extremely anxious to get started on our Addition while they have the time now. The weather is mild, and they have seen the Lutheran Church going ahead. The men did go out for the piling and in two days cut and hauled all that we will need. We are now awaiting further plans from Glen Carson.

# MONTHLY REPORT, CONTINUED

14 (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Feb. 2-4 were spent in Sitka representing the Presbytery at the Alaska Council of Churches. I feel that the Alaska Council of Churches is doing fine work in drawing together a united Christian voice in Alaska. In the future, as this organization becomes stronger, I believe they will be even more effective.

The Communicant Class completed their course and 4 adults are now ready to join the church. Two of these people are joining on Confession of Faith. The group was very responsive, and I feel that they will be a good addition to the church and Kingdom of God.

Mayreld Swanson has been a big help in getting more life into our total Christian Education program. She spent two weeks with us, and everyone in the church was busy with extra meetings, demonstration teaching, and making Sunday School equipment.

The Mariners' Club met while she was here and spent one whole evening building screens, framing pictures, sorting pictures, making the picture file, and painting tables.

The response to Mayreld's work was very good, and she accomplished a lot in two weeks. When she came there were not enough teachers for all of the classes, but now there are enough. People volunteered to teach when they were attracted by the special interest in the S.S. program. The Christian Education Committee is getting organized and should be meeting with Mayreld on her return from Kake.

We have changed our Church time to 11:15 to allow more time for the Sunday School to meet.

The Choir has a new director now, so Pat can take a breather. A man school teacher has been singing with us for a year and knows the music very well, and I believe that he will be a big help to us in this area.

The men turned out strong to clear the lot and stake off the new addition to our church. Then several men volunteered their time to help drive the piling which has been completed. We have had very good weather with clear, cool days but above freezing every day. All of the snow is gone, and it is very good for working out. The approval from Glen Carson came, and we contacted the pile driver just in time before he took another job which would take over a month. Then we asked the mill to cut some lumber for us, and they just happened to be cutting the length we needed, so we were able to move ahead without delays.

At the end of the month, I went to Juneau for a meeting of Presbytery Council.

The starting of our building has taken a great deal of time this month. I have not worked on the actual building more than 2 or 3 days. However, ordering enough material to get started and making arrangements for Lahmeyers' living quarters has taken a lot time.

Mr. Lahmeyer has taken hold now that he is familiar with the plans and is doing a fine job. He has many ideas about saving money with material he can prepare instead of ordering out of Seattle and paying freight. He is very nice to work with in that he always checks about what we want before starting on something new. Both of the Lahmeyers are easily satisfied as to living quarters and food arrangements. They also seem to be making a real contribution to the church and have asked to have their letter of membership transferred to Petersburg.

The Young People have responded well to the Communicant Class and seem to be asking some interesting questions. About 6 Jr. High age young people will be ready to come into the membership during Holy Week.

I have been preaching a sermon series during Lent on the Pre-eminence of Jesus Christ. This has served well to remind us all of the central place of Christ in our lives.

The Bible Study during the week has been a blessing in that most of the people are new to the Bible and are asking the most basic questions. Our Adult S.S. class has come to a stand-still since a mental case has begun to attend. He has received some Mormon training in a reform school where he was placed for killing a man at the age of 14. We have been trying to help him, but it is disrupting to the class as he brings in the Mormonism. I think we may get him to a school and help him learn a trade through the Federal Rehabilitation program.

The One Great Hour of Sharing offering was larger this year than it has ever been.

The Mariners' Club continues to bring new people into the church. There is rather a loose organization as yet, but it serves the purpose. Our people are too tied up with organization now, so we try to keep it at a minimum.

Bill Pritchard came down for a weekend to meet with our officers and be with us in the Worship Service. The officers welcomed the opportunity to discuss the Church program with Mr. Pritchard and now have a bigger vision of the work which is ahead.

Most of one week was spent in Kake helping Bob Simonds conduct an evangelistic campaign. I welcomed the opportunity and felt that there were definite results although the attendance was small.

# MONTHLY REPORT, \* CONTINUED

M (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

April was a very full month, and a lot of travel was involved away from the church. The first week of April I went to Ellensburg, Wash. for the Synod Christian Ed. Com. meeting. Following the two-day meeting, I went on to Yakima for 2 days to see my parents before returning to Petersburg.

Holy Week was a full week along with Presbytery preparations for the following week.

Dr. Jackman visited with us over night and spoke to our Session and Trustees. The people were very glad to have this opportunity to meet with him and hear him.

The Holy Week Communion Service has become a tradition with the people, and several of them have remarked that they would not want to miss it.

The Good Friday Service was conducted in the high school auditorium under the direction of the Ministerial Association. There were far more adults in attendance than before and less children. The school was not in session that day, so the children were not interested in giving up their vacation to attend a service.

The church was filled on Easter, and some people were even sitting in the hall. I think the new expansion on the Sanctuary will help on the days with a large crowd.

While at the Presbytery meetings, one of the elders conducted the worship service for me here using the Layreader Service. The Presbytery meetings were very good, and we got a lot done. I feel that the Presbytery is becoming stronger all the time.

The Building is moving along rapidly now and most of the material for the completion of the building has been ordered. We are now without volunteer help as the halibut season is underway.

I called a Session meeting for April 30th and presented my resignation as the pastor of this church. The people, in fact the whole town, were genuinely surprised, and we have been answering a lot of questions. I am sure that it is best for the church and us although they don't seem to think so. There is too much of a dependance on us personally and not enough dependance on the Lord. Now we are anxious to find out where we are going next.

M (Original and 3 carbons)

On May 1st I announced my resignation to the congregation following the Morning Service. They were surprised and wondered why we were leaving but I am glad that we let them know this far ahead. I think that it will be the best thing that ever happened for the Church and us.

Eight young people have completed the Communicants Class and joined the church. They are a fine bunch and will add a great deal to the Church.

The Session voted to give five \$10.00 scholarships for young people interested in attending the Rainbow Glacier Camp this summer. All of these scholarships are being used to a good advantage and we have several campers signed up.

All of the Marsden books were bought as soon as they were presented to the congregation. More have been ordered to fill the demand.

School is out and one of our young people, Sally Phillips, was the Valedictorian of her class. We are glad to see her have this honor. Geo. Betts was in Petersburg to see Sally, his granddaughter graduate. We hope that she now has enough scholarships to see her through the first year of Whitworth College.

Mr. Glen Carson, Rev. Pritchard, and Rev. Paul Moser were in Petersburg briefly inspecting the buildings for repair. I do not know what conclusions were reached about the buildings.

On May 15th our ladies had a coffee hour after the Morning Worship for the Spring Festival tourists. The Glacier Queen was chartered to bring the tourists to Petersburg for a two day visit. The town put on their best for them and played up the Norweign part of the town. We had a few people at our church beside the KSEW people who were making recordings of the proceedings.

We had an addition to our family on May 17th. Marybeth makes our forth girl and is taking her place in the family circle.

The building continues to move along rapidly under the direction of Mr. Lahmeyer. I am well pleased with the progress of the building but I am upset at my relation to it. I have not done any of my pastoral ministry for two months because I have been too busy with the ordering and accounting for the building. This defeats the purpose for having a building. In the future, I trust that the Board will contract the buildings out or deal directly with the builder and leave the ministers out of it.

INSTRUCTIONS

Report for the month just completed and voucher for month just beginning should be prepared in quadruplicate on the first of each month, and distributed as follows: a. Mail original (perforated copy), with voucher attached, to the Office for Field Service of the Board in New York or elsewhere as directed. b. Mail copies of report as directed by Synod or Presbytery headquarters. c. Retain one copy for church files.

# MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The work on the addition to the building has gone ahead rapidly in the month of June. A seminary student and his wife, Bob And Julia Smith came to help on the building the second of June. Both of these people have a been a good addition to the total life of the Church. Bob took two Sunday services for me while I was at the Synod meeting, has taught Sunday School class, and been good to direct the other college boys. Both of them have very good attitudes about Christian service.

Dave Taylor, a college student, arrived on the 5th of June and started right to work on the building. He has never done any manual labor before and does not catch on to it either. He is awilling worker and tries to please but it takes another person all the time to watch him and direct him.

Bill Brown arrived on June 14th and is a good worker and has had experience. The two boys do not get along together but are living in the same apartment etc. I think that they will be a lot better off when Mr. Lahmeyer leaves and they are under the direction of Bob Smith.

Some outside help was hired for the building and this made the work go rapidly; too rapidly some times for the best appearance of the building. Not a one of them is a finish carpenter, including Mr. Lahmeyer.

The Women's team of Miss Mahoney and Deen Nelson were here for a meeting with our ladies. The women had a no host supper for them and seemed to get a lot out of the meeting.

I enjoyed the Synod meetings and got some rest from the building business. While at the Synod, I was able to make several contacts with vacant churches and preach in a neutral church so that the committees could hear me.

There was a big fire in Petersburg that took the lives of a father and three of his children. The cause of the fire was not determined but is thought that it could have been that the people were drinking. I have warned the people several times that if they did not stop drinking that something like this would happen. Bill Zieger had the funeral.
